

Subaru White Plains Releases February Impreza Lease Information

February 24, 2020

February 24, 2020 - PRESSADVANTAGE -

A special lease offer on the 2020 Subaru Impreza was just announced at Subaru White Plains. For \$149/mo. for 36 months, and \$3,479 down, the Subaru Impreza can be leased today. As one of the most fuel-efficient Subarus on the market, the Impreza has a few different models to choose from, all of which have the sedan or 5-door option: the Impreza, Impreza Premium, or Impreza Sport, and Impreza Limited. There are various options for the rear fold-down seat configurations for plenty of cargo space and storage.

All models come standard with the Subaru STARLINK multimedia system, 152-HP direct-injection engine, and a rear-vision camera. All Subaru Imprezas are built on what Subaru calls the Global Platform, a steel-frame body structure that provides durability and endurance. In addition, ALG Inc. notes that the Impreza retains its value better than any other car in its class.

Subaru Impreza Premium or Sport editions have added features like blind-spot detection and rear cross-traffic alert. The blind-spot sensors will flash on the mirrors if it senses another vehicle in its blind-spot. The option of having an rear automatic braking system is also available on the Impreza Limited. One of the most important optional features of the Impreza is the enhanced EyeSight technology. It has been shown to reduce rear-end injury collisions by up to 85%, according to data gathered by the IIHS. Lastly, the Harman Kardon® enhanced audio system surrounds the cabin with clear sound for maximum enjoyment.

A post on Cars.com stated that, "The folks at Subaru White Plains are a team of first rate and dedicated professionals." The dealership is rated at 4.5 stars on Google Reviews, so anyone interested in learning more about how to lease a 2020 Subaru Impreza should contact:
