

Subaru White Plains Releases February WRX Lease Information

February 24, 2020

February 24, 2020 - PRESSADVANTAGE -

A special lease offer on the 2020 Subaru WRX at Subaru White Plains has been announced: \$289/mo. for 36 months, and \$3,479 due at signing. The Subaru WRX gets 27 MPG on the highway and 21 MPG in the city, and is considered to be one of the best-performing Subarus to date. The WRX comes with symmetrical all-wheel drive, vehicle dynamics control, emergency brake assist, ABS, traction control system (TCS), and a rear-vision camera. It combines comfort, style, and performance. Also available is the Sport Lineartronic transmission which gives the driver the ability to switch between 6 or 8-speed manual modes.

Vehicle dynamics control (VDC) keeps the car turning tight around corners and decreases understeer for better handling and performance. It has a track-tuned suspension system and can handle any type of terrain with ease. The 2.0 liter Subaru WRX is equipped with a Sport Lineartronic® Transmission for both automatic and manual-shifting purposes. Additional safety features include keyless entry, anti-theft security system, and an engine immobilizer in case of emergencies.

The WRX STI takes the performance one step further with enhanced brakes, a responsive steering ratio, lightweight 19-inch wheels, and a fully electronic differential. It comes with a manual six-speed transmission for more driver interaction. The Turbocharged 2.5 liter Subaru Boxer® Engine exerts 310-horsepower, compared to the stock 268-horsepower engine. The WRX STI also comes standard with Brembo brakes and cross-drilled rotors. Optional Recaro performance seats for the front provide comfort in any environment.

The Subaru White Plains dealership has a notable reputation. One review left on Google Reviews said that, "We can't say enough great things about our experience with Subaru White Plains..." For more information on how to lease a 2020 Subaru WRX from Subaru White Plains, contact:
