August 20, 2015 - PRESSADVANTAGE -

LB Plumbing and Heating, a company in Harrow, London, has announced the finding that when it comes to boiler installation North London residents rely on its services. In a recent blog post, it was revealed just why the company is so popular in that particular area. The company is very proud of the fact that the experience and expertise of its staff are being properly recognized.

"We have always said that people can count on us to carry out full heating installation, bathroom plumbing works and boiler replacements," says Ray Le Blanc from LB Plumbing and Heating. "It is really good to see that we are being recognized for this and that we have been able to meet our clients' expectations time and time again."

One of the main reasons why the London boiler replacement company is so popular is because of the experience of its staff members. Ray Le Blanc has been working in the industry for over 15 years. He is also a Gas Safe Registered plumber and a member of the Association of Plumbing and Heating Contractors.

Secondly, the company is known for the friendliness and approachability of its workers. They want to make

sure that people have a positive experience when they go through a renovation, and they hope to achieve this by being completely open and transparent. LB Plumbing and Heating wants to do everything to make sure the trust their customers have placed in them is not broken.

In so doing, the company is also known for honesty. They create a quotation before starting a job, so that customers know exactly what they will have to pay. Furthermore, LB Plumbing and Heating always keeps customers apprised of their rates, so that people are able to stay within their budget and do not get a shock when they receive the final bill.

"Thanks to our commitment to quality and service, we have built a strong customer base over the years," adds Ray Le Blanc. "We are hardly ones to rest on our laurels, however, and instead strive to keep our skills updated."

To this end, Ray attends courses on the newest plumbing and heating technologies in his spare time. This ensures that when it comes to boiler installation North London residents can depend on LB Plumbing and Heating.
