Mt. Vernon, NY - Banville Law, a Mt. Vernon personal injury law firm, has announced the opening of their new law office in Mt. Vernon, New York.

"The opening of this new office allows our growing legal team to better serve the local Mt. Vernon and Westchester community. It will also allow us to become further involved in the local community and local events," stated managing partner, Laurence Banville.

Banville Law has been helping accident victims for years, working with clients who have been injured in car accidents, truck accidents, bus accidents, slip and fall accidents, pedestrian accidents, construction accidents, and work accidents. The Mt. Vernon personal injury attorneys have won significant compensation on the behalf of their former clients and continue to fight aggressively in the courtroom for accident victims.

"At Banville Law, our legal team understands that it can seem impossible to afford an attorney when you're already struggling to pay for medical bills. That's why we offer free consultations and work on a contingency fee. This means that our clients don't pay anything until we obtain compensation for them," Banville shared.

In addition to fighting for justice for accident victims, the experienced legal team fights for those who have been hurt by medical malpractice, defective products, and sexual assault.

The Mt. Vernon office opened in January 2020, with the local lawyers consulting with clients in Mt. Vernon, New Rochelle, Tuckahoe, Bronxville, Larchmont, Mamaroneck, Harrison, Scarsdale, Greenville, Hartsdale, Dobbs Ferry, Eastchester, and Pelham Manor.

The office is located at Banville Law 11 W Prospect Ave #37, Mt Vernon, NY 10550. Those seeking a free legal consultation can reach the office at (914) 825-4117.
