Qualified Remodeler magazine announced an open call for 2020 Top 500 applications at www.qrTop500.com. The print and online magazine for remodelers and home improvement companies has published its list of the largest firms in the industry annually since 1978. Each year, the Top 500 recognizes firms for significant and sustained success, and the list has become a Who?s Who in the industry.

?We take a great deal of pride in producing the most accurate list possible,? said Patrick O?Toole, co-owner and publisher of QR. ?Every year we look for ways to streamline the process for applicants and to make the results clearer. This year is no different. We?ve eliminated a number of questions to avoid redundancy. We?ve also worked hard on the backend to ensure that all of the information is kept secure and confidential.

We've never had a data breach in 41 years, and we plan to keep it that way.?
