D.I. Auto Care Provides Mobile Detailing Services In Phoenix

April 13, 2020

April 13, 2020 - PRESSADVANTAGE -

D.I. Auto Care, a Phoenix, Arizona based car detailing service, is reaching out to the wider community to announce that they are providing mobile detailing services in the area. The company specializes in the auto detailing of cars, trucks, RV's, planes, boats and high-performance cars. More information about the company's services can be found at the following link: [Phoenix Mobile Detailing](#).

Paul, owner of D.I. Auto Care, says, "There is a common misconception that car washing and car detailing are one and the same, but that's actually quite wrong. When you are getting your car detailed, it goes beyond anything done during a standard wash to make your vehicle look spotlessly clean, both inside and out. Car washing, however involves the use of an automated system to do the cleaning, and this is not the case with detailing. With detailing, experienced technicians do everything by hand."

He continues, "The problem with detailing, of course, is that as involved and as thorough as it is, it takes a lot of time. Time that you may not have to spare what with the busy lives we all lead these days. If that's the

case and you still want to maintain the new look and feel of your vehicle, D.I. Auto Care is here to help you. We offer a thorough mobile detailing service where we will come to you and take care of the whole thing at a location that is more convenient to you.?

According to the company, car detailing is divided into two parts: Interior Detailing and Exterior Detailing. Exterior car detailing involves vacuuming, restoring, and restoring the original condition of the exterior parts of a vehicle, including tires, windows and wheels and more. Interior detailing, on the other hand, involves cleaning the inner parts of a vehicle, including but not limited to components such as leather, plastics, vinyl, carbon fiber plastics and natural fibers. Whether it is an office, home or a garage, the company promises that they will come to their clients and detail their vehicles?both the exterior and interior?at the client?s convenience, and they will do so in a timely manner and at an affordable price. D.I. Auto Care has established themselves as a reliable provider of car detailing services, earning themselves a lot of positive praise from their clients. On Google, the Phoenix Window Tinting service has a near perfect rating of 4.8 out of 5 Stars. In one such 5-Star review, Cordelia Speaker says, ?We just traded in our two cars and bought new ones. I called D.I. Auto Care to come out and tint them. The only day we had available was Sunday. He came out early in the morning to get them done early so we could get on with our day. The cars look amazing, highly recommended.?

Meanwhile, in another 5-Star review, Paul Kealoha praises the company?s mobile window tinting service, saying, ?Just had my windshield replaced and also removed my old window tint and re-tinted the windows a little darker. Service was excellent. He came to my office. Very easy and painless, I didn't need to take off from work to get it done.?

In yet another glowing review, Sgkab Halab says, ?A friend referred D.I. Auto Care to me to get my New Porsche tinted and detailed. I ended up going with the Ceramic Window Tint because of my skin problems. He was on time and professional, and my Cayenne Looks amazing. They came out to my house in the Ahwatukee Desert Foothills, and it was really convenient for me.?
