

Video One Productions Now Offering Professional Chicago Video Production Services

March 02, 2020

March 02, 2020 - PRESSADVANTAGE -

Video One Productions is a professional video production company that provides high quality video production, and other multimedia services. The company is now providing high quality Chicago video production services.

According to the website, "If you're looking for a Chicago video production company for a single or multiple camera shoot in Chicago, you've come to the right place. After 29 years of working with clients on video projects, it's safe to say we've covered it all, having produced just about every type of corporate, non-profit, and individual based video there is. Our company provides experienced videographers, lighting and audio professionals, and other production crew members that are ready to shoot on a day's notice. From pre-production to post-production and everything in between, Video One Productions is truly your one-stop video production company.

"When it comes to producing promotional and marketing videos, Video One provides clients with that something extra. We'll work with you to specify your goals and provide insights to help you reach your target audience with the right message. If you need a training video, we'll make sure you hit all of the right points,

presenting educational information in the most interesting and effective way through your video.

Our staff of videographers also cover events such as corporate meetings, executive presentations, speakers, conferences, trade shows, fundraising events, and more. And if you need a manufacturing video to demonstrate how one of your machines work or to promote a product, we'll help you attract the right clients using video. We're also able to add motion graphics, actors, and special effects to make your video more engaging.

We invite you to call us for a free consultation so we can discuss our videography services and begin brainstorming. From there we can recommend the best way to tackle your project, determine pricing, set up a timeline, begin script writing, and more. As a creative and professional video marketing company in Chicago, we guarantee your satisfaction with the videos we produce for you.

For more information about Chicago video production services, visit the Video One Productions website.
