March 13, 2020 -
Mazzeo Law Barristers & Solicitors, a Vaughan, ON based law firm, would like to announce the availability of their legal services for those looking for assistance with legal separation or other aspects of divorce. The attorneys at Mazzeo Law are all highly qualified and prepared to deal with all kinds of issues. They make it a point to ensure that every client is treated fairly during a legal separation and that they get everything they can rightfully claim out of a separation.

Separation agreements can be incredibly difficult and stressful for everyone involved, not to mention expensive. This is all made a lot easier to handle if one has a good attorney, and the lawyers at Mazzeo Law have a great deal of knowledge and experience on various legal issues, focusing mainly on family matters including family law, real estate and will or estate law.

?Every family has had to deal with one more of these issues, and they can be both emotionally and mentally taxing on the parties involved,? says the firm in a statement that is echoed on their website. ?Oftentimes, some areas of law do overlap, and this is when we can bring even more value to the clients we serve since we are well versed in those as well. Attempting to navigate any legal issues on your own and interpret how to

best deal with them according to federal and provincial legislation just adds an increased element of unnecessary stress to the equation. Here is where we can help carry the weight and relieve some of the stress surrounding these issues. Our job and priority are to handle all parts of the process pertaining to the law and advocate for your rights on your behalf to ensure that your voice is heard.?

The firm helps with spousal maintenance law, a field of law that is meant to ensure that a spouse does not suffer any undue hardship or a marked change in lifestyle as a result of a separation or divorce. There are no federal or provincial guidelines, unlike with child support, so it is very important to have a good lawyer to help one navigate through spousal support law. Fortunately, the firm provides clients with expert guidance whenever they have questions about their spousal support options. Whether one is being asked to provide support or wishes to make a support claim, Mazzeo Law?s lawyers are there to help.

The firm was founded by Paul Mazzeo, a lawyer with a great deal of experience and knowledge spanning multiple fields. Mazzeo has stood before courts at every level, including the Ontario Court of Justice, the Superior Court of Justice, the Divisional Court and the Ontario Court of Appeal. He has, over the years, developed an innate ability to communicate issues and advocate on behalf of his clients. He obtained a bachelor of Law from the Osgoode Hall Law School at York University. He and the rest of the Mazzeo Law team are always ready and willing to help with any and all family law related issues.

?Paul Mazzeo has been easy to work with. Professional, reliable and, above all, he is a very knowledgeable family lawyer,? says a review of Paul?s services on the firm?s site. ?My family law case has become rather complicated, yet Paul has been prepared every step of the way. With his expertise and experience, he has been successful in all family court appearances. Paul is always well prepared and organized, which I believe is the key to his success. Although this process is highly stressful, Paul is always available to respond to all my concerns. I highly recommend Paul Mazzeo and the staff at Mazzeo Law for any family law issue.?

Another highly positive review of the firm states, ?I was referred to Paul Mazzeo by the Lawyer Society of Ontario for consultation in family law. His team accommodated me very quickly, then Paul met me at the scheduled time and was very helpful and knowledgeable in my issue. His advice was correct and finally resolved my issue. Thank you.?

Vaughan residents in need of a separation lawyer or an estate planning lawyer are encouraged to get in touch with Mazzeo Law Barristers & Solicitors today. More information regarding their services can be found on their website.
