

Rockwell Trading Celebrates 20,000th YouTube Channel Subscriber

March 26, 2020

March 26, 2020 - PRESSADVANTAGE -

Austin, Texas based Rockwell Trading is delighted to announce that their popular YouTube Channel, which provides insights into their unique trading strategies, has recently gained its 20,000th subscriber. To celebrate, they have set up more of their famous Trading Bootcamps, helping anyone interested in trading get up to speed quickly and avoid making mistakes by limiting their risk.

Markus Heitkoetter, Founder of Rockwell Trading, says, "Our YouTube subscribers get first access to our latest groundbreaking videos, enabling them to get a jump start ahead of others who are still using other, less productive methods. Using our tips and best practices, anyone who wants to learn how to be a successful trader can stay informed and ahead of their peers. Those who want to make it big in 2020 are encouraged to sign up for our free Trading Bootcamp program so that they too can celebrate their success by the end of the year. Even though the market has taken a few knocks lately, there is plenty of money to be made, and our trading strategies will show you how to do exactly that." More information can be found here: [Learn How to Trade](#).

Each of Rockwell Trading's Bootcamps cover all the information attendees need to know to be able to

confidently begin trading, including how to find the best stocks to trade and how to quickly grow any account. They will also learn the art of money management using Rockwell's trading plan. Signing up to reserve a seat for one of the Rockwell Trading Bootcamps, which are held in Dallas and Houston, Texas is very simple. Interested parties need only select their preferred date and location from the sessions available and provide their contact details on Rockwell Trading's website.

Getting the information firsthand from a successful trader who switched from working 60-80 hour weeks at IBM to making a radical change in order to start stock trading. Heitkoetter has undertaken the rigorous study and testing necessary to develop a winning strategy that has made him very successful. He says, "Now, I want to give back to those who are in the same place I was, working too hard to spend time with my family. My Bootcamps are the quickest way for you to get started on a profitable path to trading success, and they will enable you take back control of your own finances as well as the financial future of your family. You can always bring a guest with you to the Bootcamp and ask any questions you have. No, you will not have to buy anything?this is my way to give back so that others can enjoy the same kind of success I've had. Just remember to bring along a notepad and pen to take notes, there is a lot of information on how to make money, and you'll want to remember it all."

Rockwell Trading offers a full range of tools and information that can help any trader find success. Their recent update to their PowerX Optimizer software was picked up by Digital Journal, which featured them in an article that highlighted how the new software makes it easier than ever to analyze a stock to determine whether to buy, hold or sell. Using Rockwell Trading's PowerX Optimizer Software means that the ability to make an informed decision is just a click away.

Those who want to stay up to date with Heitkoetter's news and announcements are encouraged to follow him on LinkedIn, Twitter and Facebook in addition to subscribing to his YouTube channel. Recently, Heitkoetter uploaded a video that discusses the difference between a Stock Trading Strategy and an essential trading plan (it tells traders when to enter and when to exit). A complete transcript of this essential video is available on the Rockwell Trading site.

Further information about Rockwell Trading, which has helped over 340,000 traders from over 38 countries, can be found on their website. Further inquiries may be directed to the company via the Rockwell Trading website.
