Restore SD Plastic Surgery in San Diego Acquired by Dr. Katerina Gallus, Veteran and Female Owned Practice with A Full Female Staff

April 13, 2020

April 13, 2020 -
Restore SD Plastic Surgery La Jolla, CA has announced the acquisition of the practice by partner, Doctor Katerina Gallus. She co-founded the medical practice along with Dr. Trent Douglas back in 2017. Dr. Douglas has relocated to Northern California for a work opportunity. This milestone is a major achievement for Restore SD Plastic Surgery as it has become the only female veteran-owned plastic surgery practice in San Diego, California that also has a full female staff. The staff at the clinic stated nothing will change and they will continue to offer each patient a highly personalized experience.

The team at Restore SD Plastic Surgery enjoys treating each patient like family, providing top-notch surgical and non-surgical care to them. This news comes in the wake of many recent initiatives and accomplishments at the practice. Such accomplishments include the My Face My Body USA Best New Practice Award 2018, the My Face My Body USA Best Practice Design Award 2018 and becoming a Visiting Professor 2019-2020 for The Plastic Surgery Foundation.

Dr. Gallus. had this to say about her professional transitions over the last few years, ?The transition from an organization as large as the Navy to private practice has been a powerful experience that I have enjoyed every step of the way. Now as I begin the new year as the sole owner of Restore SD Plastic Surgery, I consider it to be another exciting new development. I am privileged to offer the best in patient care from the perspective and expertise of one of the few female board-certified plastic surgeons in Southern California.?

Dr. Katerina Gallus MD FACS was happy to share her background and some more information on Restore SD Plastic Surgery. She stated that she is a board-certified plastic surgeon, Navy veteran, and also handles the role of medical director at Restore SD Plastic Surgery in La Jolla, CA. The practice owner says she has spent many years delivering exceptional surgical results along with outstanding customer service. She added

that everyone at the plastic surgery center is committed to providing the highest quality patient experience. They do that by utilizing state of the art surgical and non-invasive techniques in a tranquil, safe and discreet environment. Some of the more popular procedures that are undertaken at the practice are breast augmentation, breast implant removal, tummy tucks, and liposuction. They also feature face and neck lifts, facial rejuvenation, several non-invasive procedures, and skincare treatments.

This medical practice is also very well reviewed by those that have taken advantage of their services. Here is an example of that in a Yelp.com review from Lyndsay M. that says, ?I had an excellent experience. The practice is impeccable. I loved their 3D imaging machine that shows you your entire procedures outcome before it happens. It helped me feel confident with my decision. The best thing about Dr. Gallus is there is no pressure, she asks you what is most important to you and figures out a way to make you happy.? This is one of 8 reviews that Restore SD Plastic Surgery has posted on the Yelp.com website and all rate their services 5 out of a possible 5-stars.

Having proudly served the Navy for over twenty years, Dr. Gallus says she is pleased to offer her vision and expertise to the greater San Diego and Orange County areas. In keeping with that, one of the first changes at the medical practice that was announced after it changed hands was that Restore SD Plastic Surgery will now be offering convenient concierge services as well as virtual consultations. Dr. Gallus says that her patients can also expect to see many other creative changes at Restore SD Plastic Surgery in the very near future.

At Restore SD Plastic Surgery, Dr. Gallus and her team make use of their long-standing partnerships to apply their training, skill, and creativity in the delivery of uncompromising results.
