Mohegan Lake, New York based Mohegan Lake Volkswagen is reaching out to the wider community to announce that they are providing a lease deal for Volkswagen Tiguans. Mohegan Lake Volkswagen is the oldest Volkswagen dealer in the Hudson Valley and has been serving drivers in Wappingers Falls, White Plains and Yorktown Heights for nearly 50 years.

Mark Hagerty, a representative for Mohegan Lake Volkswagen, says, "Many people want to own and drive a Volkswagen, which are among the safest vehicles on the market, and there is no doubt that you're interested too. If, however, you're not ready for a full purchase right now, there is always the option for you to lease a vehicle and test it out. At Mohegan Lake Volkswagen, we're currently giving you the opportunity to lease a Volkswagen Tiguan, which allows you to take out one of the best VW vehicles and give it an honest try."

A compact crossover vehicle, the Volkswagen Tiguan was introduced in 2007. Its popularity among consumers is proven by the fact that over 700,000 units of the vehicle have been sold to date. The Volkswagen Tiguan also has a 5-Star safety rating from the Euro NCAP, and the 2019 model was named Cars.com's Best Compact SUV for the second year running.

Mohegan Lake Volkswagen, which is family-owned, is committed to helping their customers find the right vehicle for their needs. The dealership has all of the latest Volkswagen models in their showroom, including the Volkswagen Jetta, Passat, Golf Sportwagen, Atlas, Tiguan and more. In addition, the dealership also has an extensive selection of verified, pre-owned vehicles, in excellent condition, for those who are looking to drive a Volkswagen without spending too much.

Whether the model in question is brand new or used, Mohegan Lake Volkswagen has a team of experts (who will help customers select the best vehicle that fits their needs) and a team of auto finance specialists (who can help customers find the right payment plan). The company asserts that, from start to finish, they are by their customer's side to make the buying process as easy as possible. Mohegan Lake Volkswagen also goes on to say that they are dedicated to helping their customers maintain their vehicles long after the initial

purchase.

Hagerty explains, "Buying the vehicle is just the first step. We don't go anywhere after that. We'll be with you throughout your time as a proud Volkswagen owner, supporting you however we can. Whether it's to help you with the particulars of your vehicle or provide authentic servicing via our onsite service department, you can count on many worry-free miles in your vehicle's future."

The excellent services provided by Mohegan Lake Audi have earned the company a lot of praise from their customers. On the website DealerRater, for instance, Mohegan Lake Volkswagen has a rating of 4.5 out of 5 Stars. In a recent review, customer Chris T. says, "This is my second vehicle purchased from Anthony at Mohegan Lake VW. Anthony is a very knowledgeable salesman who sincerely has your best interest in mind. The whole process, from paperwork to pick up, was probably the easiest one that I have had when purchasing a new vehicle. Both the sales and finance departments were very accommodating. I would recommend Anthony and this dealership to anybody who's looking for an honest price with a salesman who's not going to fast talk you into a contract. Thanks again, Anthony!"

Meanwhile, in a Google review for the dealership, John M. says, "I am so happy with my 2014 Volkswagen Passat! Everyone at the Mohegan Lake location was very nice and helpful. The salesman, Glenn Oldenhoff, showed me all the options in my price range. He even suggested options at other dealerships! The entire process was very easy, I was able to text Glenn my information, so I didn't have to drive back and forth. I got a great deal, and they provided the financing options with competitive rates. This is the best car I have ever owned! Thank you, Glenn and Mohegan Lake Volkswagen!"
