TantrumMobileSprayTans.com West Palm Beach is the best of its kind and an industry leader here in South Florida. Tantrum now brings its convenient spray tan service to customers in West Palm Beach via their mobile service offerings, meaning they come right to your location.

"I've lived here in Palm Beach County for 15 years, I know that a flawless, year-round tan is important to lots of folks. However, people today know that too much unprotected sun exposure is unhealthy, causes premature aging and cancer of the skin. Tantrum's mission is to give our customers the look they want without the risk. And we do it in the comfort of their home with our natural, proprietary spray tan solutions." says Melinda Dixon, proprietor of Tantrum Mobile Spray Tans.

Tantrum Spray Tans is a fully mobile spray tan service that offers clients a pampered and relaxed experience in the privacy of their home, office, or at their performance events. Their website offers many packages and different lines of solutions to fit every person's skin type and every occasion.

"After extensive research of many spray tan solutions and guns, I found what I feel are the very best, 100% natural solutions and commercial grade guns on the market today. Our trained and professional technicians are true spray tan artists. All have been certified. They contour the body, leave no tan lines, no mess, no sticky or orange skin. Just a beautiful, natural looking even glow that lasts," says Miss Dixon, owner of Tantrum.

TantrumMobileSprayTans.com offers many tips, both pre and post spray tan, to ensure all their clientele extend the life of their tan as long as possible. They offer packages for special occasions, weddings, spray tan parties, important social events, body builders/fitness/cheerleading competitions, performances, etc. There's even packages that will save their regular clients who tan bi-monthly.

Based in Royal Palm Beach, Tantrum Mobile Spray Tans is the premier complete mobile spray tan service for West Palm Beach and all of Palm Beach county.
