Private Golf Clubs In Scottsdale Now Entering Busy Season

March 24, 2020

March 24, 2020 - PRESSADVANTAGE -

Scottsdale, Arizona based The Country Club at DC Ranch is reaching out to the wider community to comment on the upcoming busy spring season. The premier private golf and country club boasts a broad array of activities, including tennis, fitness, swimming and more. They also feature exceptional dining venues and host a variety of social events, and their premises are only minutes from high-end shopping, world-class entertainment and luxury real-estate.

Melanie Halpert, a representative for The Country Club at DC Ranch, says, "As we get into our busy spring season, we hope that we can see some sunshine and warm temperatures for everyone as we are facing an exciting few months ahead of us! We have a number of social events, tennis and golf tournaments planned, and this season is pretty much our most active time of the year!?"

Some of the upcoming events planned at the Scottsdale golf club include the New Member Dinner, Taste of the Ranch, Ladies and Men's Golf Club Championships. Towards the end of the month, there is also the premier Ladies Golf Event, The Desert Diamond Classic. However, these are not the only events planned for the month; more information on all the planned events can be found in the Scottsdale Golf Club Calendar that

is sent out with the monthly newsletter.

Halpert says, "As we enter the busiest time of the year, it is important that everyone remembers the need to make reservations. This is true not just for us, but for all private golf clubs in Scottsdale, whether you intend to golf, dine or take part in some other activity." Halpert highlights The Country Club at DC Ranch's Easter reservations for April as an example, when the club had 600 reservations within 24 hours of the event becoming available.

The club also warns that they may not be able to accommodate all requests due to the sheer volume of members and guest usage. As the club points out, this is not an issue unique to DC Ranch and is instead the common theme for most similar establishments in Scottsdale. Halpert says, "While we aim to serve as many as we can at all times, we do want to make sure that we focus on providing the highest quality service to our membership."

According to The Country Club at DC Ranch, there are many ways that interested parties can use to make reservations, from Foretees and Open Table on smartphones and computers to directly calling the Concierge or Dining Hosts to make reservations.

Halpert also says, "Thank you to the many Scottsdale golf club members that voiced your interest in serving your Club on the Finance, House, Tennis, Membership, Golf & Grounds and the Fitness & Wellness Committee. We were once again able to put together a diverse group of members, some serving for the first time as well as many that have served over the years. This year, we again implemented a mandatory orientation for the new committee members so that we could set forth the expectations for each committee member and outline the 2020 goals and objectives for each committee."

Halpert continues, "As many of you know, this is an important way for us to identify potential future Private golf clubs for Scottsdale Board members. The partnership that these committees have formed with the management team over the years is one of the main reasons for the success of the Club, and I am excited to see what 2020 brings to The Country Club at DC Ranch."

Those who want to learn more about The Country Club at DC Ranch and the various services they provide can find more information on their website at the following link: <https://www.ccdcranch.com/>. Additionally, the country club encourages interested parties to get in touch with Melanie Halpert directly via email or phone. The club can also be reached through the contact form on their website.
