March 20, 2020 -

SC Home Offer, a local house buying company based out of Greenville SC, announces they are now providing fast cash offers to homeowners in Spartanburg and surrounding areas in as little as 7 days. More information about the house buying process in Spartanburg can be found here https://www.schomeoffer.com/we-buy-houses-spartanburg-sc/.

SC Home Offer?s focus is working with homeowners that can?t or doesn?t want to go through the traditional real estate selling process due to financial or time constraints. Because SC Home Offer uses their own money, there is no bank approval or home appraisal service required in order to purchase the home.

This is great news for homeowners that are unable to put up the money for repairs to the home and list the property for multiple months to sell it in the standard way. This can save homeowners thousands of dollars in repair costs, commissions, closing costs, and months of saved time waiting for offers, showings, and negotiations.

While other home buyers strictly stick to low-ball cash offers, SC Home Offer uses a formula that?s very simple to follow and can make very fast offers. In cases where a cash offer doesn?t work, they have other strategies to help purchase the property so that homeowners can move into the next stage of their life without worrying about months of holding costs.

Sellers also have their opportunity to choose the date that they wish to close on the property. SC Home Offer?s offer is no obligation, no hassle, no hidden fees, and offers flexibility that many other we buy houses companies don't provide.

The service is meant to help Spartanburg homeowners get the easiest and smoothest process in getting a cash offer or selling their home. Since the company buys houses directly, the process is extremely simple and the time is cut down by more than 75%. SC Home Offer is rapidly growing in Ohio and is set to expand into neighboring cities in the near future.
