Imperial Crane Services, Inc. Provides Crane Rental Services For Companies In Michigan

March 26, 2020

March 26, 2020 -
Imperial Crane Services, Inc., based out of Chicago, Illinois, is pleased to announce that their Midwest clients have the option to rent to own a crane. The company is among the best crane rental services across the United States, and they recently celebrated having been in business for half a decade.

Gina Kaktis, Marketing Director for Imperial Crane Services Inc., says, ?When you are working on major construction projects or doing any sort of work that requires moving heavy goods, having a crane on hand will make your life a hundred times easier. As you can imagine, cranes are quite expensive if you want to buy them, but there is nothing stopping you from renting them at affordable prices and that?s where we come in. Imperial Crane Services is your best option for renting cranes in Michigan.?

The crane rental company offers a wide variety of cranes for rental, including All Terrain Cranes, Hydraulic Truck Cranes, Conventional Truck Cranes, Crawler Cranes, Rough Terrain Cranes, Boom Truck Cranes, Carrydeck Cranes and more. In addition to cranes, Imperial Crane Services provides a variety of other equipment, such as aerial lifts, telehandlers and construction hoists, each of which are also available to rent.

Imperial Crane Services offers more than just crane rentals, however. The company has a range of other services that help make their clients? projects easier. These services range from offering the expertise of their own qualified professionals to renting out state-of-the art technology (such as the 3D Lift Plan, AutoCAD and the Telogis GPS system) that allows companies to more effectively and efficiently plan and manage projects. Imperial Crane Services also shares that they offer an OSHA approved Qualified Signal Person Training Courses. The two and a half hour course benefits employers by verifying that their signal person?s training and knowledge meet the strict safety requirements of both ASME and OSHA. Kaktis says, ?With the services offered by Imperial Crane, we can assure that all your projects will be handled with unmatched customer service, safety, secure equipment and valuable rentals. We?re all about doing what is best for you, and working with us is assured to give you efficient, safe and reliable operational results.?

As evident by the customer reviews, Imperial Crane Services, Inc. is easily one of the best crane rental companies in Michigan. On the Google platform, Imperial Crane Services, Inc. has a rating of 4.3 out of 5 Stars. In a recent review, Derek Hughes says, ?They provide a plethora of cranes and equipment to handle all your lifting needs. Overall, a top notch company with highly qualified and skillful operators to get the job done!?

In a testimonial found on the company?s website, Senior Project Manager at Omega Demolition Keith Splitgerber says, ?Thank you for your continued efforts to provide Omega with excellent equipment, quality operators and superior customer support to continually fulfill Omega?s project needs. Imperial is a highly regarded and valued resource for Omega Demolition. Additionally, Omega would like to thank Imperial for providing additional training and support during Omega?s Safety Meeting this past week. Omega?s ongoing pursuit of the highest levels of safety on all of its projects is obviously echoed by Imperial.?

Similarly, Director of Equipment Operations at Wanzek Construction Bryce Peterson says in his testimonial, ?I?ve been aware of Imperial Crane Services for the past couple of years from peers in the industry. Imperial Crane Services has a reputation for having a lot of high-quality equipment, so we chose the company for that reason. The wind projects are not the first time we?ve utilized Imperial Crane Services? cranes. We?ve worked with them in the past and will continue to work with them in the future.?

Those looking for crane rentals in Illinois or simply want to learn more about Imperial Crane Services, Inc. and the various services they provide can find more information on the company?s website. Additionally, the company encourages interested parties to get in touch via email or phone. They can also be reached through
