BMW of Watertown Special Lease Offer on 5 Series

March 26, 2020

March 26, 2020 -

The BMW of Watertown has just announced its special lease offer on the 2020 5 Series. For $529 per month for 36 months, and $4,999 due at signing, the 2020 BMW 530i can be leased today. Different models such as the 540i XDrive are also available for a special lease offer of $609/mo. for 36 months. With a plethora of colors to choose from, and versatile functionality, the new 5 Series is an easy choice. Interval active steering helps bring more stability and control to the rear wheels and overall driving experience.

Bountiful technology is integrated into the new 5 Series. Both the BMW 540i and M550i models come with ?remote control parking,? which lets the driver park the car while standing outside. BMW?s Traffic Jam Assistant uses sensors to analyze speed, distance, and braking to keep moving smoothly in traffic. More advancements for the 5 Series making their debuts -- BMW?s Live Cockpit Professional, which is a combination of the digital instrument cluster and central information display, and the iDrive 7.0 operating system. The cross-traffic alert system scans potential obstacles and alerts the cabin if there are any hazards.

The new 5 Series has several handling features that make the ride simultaneously comfortable and quick. The double-wishbone multi-link aluminum front suspension ensures there is minimal amounts of oversteer during turns. Ventilated disc brakes, anti-lock braking system (ABS), Dynamic Brake Control (DBC), are all components of a sophisticated braking system for the best handling possible.

With all these features in mind, the 2020 BMW 530i offers comfort, performance, and technology in one package. For more information on how to take advantage of this 5 Series special lease offer, contact the BMW of Watertown dealership at:
