BMW of Watertown Announces Lease Offer on 7 Series

March 26, 2020

March 26, 2020 -

BMW of Watertown has announced its special lease offer on the new 2020 BMW 740i and other select 7 Series models. The luxurious 740i sedan can be leased for $1,039/mo. for 36 months (and $6,999 due at signing). Highlights of the new 7 Series include the Panoramic Sky Lounge, an exciting roof display to wow passengers and create an ambient environment. Massaging seats, rear heated armrests, and the rear-seat entertainment system are options that bring extra comfort to every passenger in the car.

Under the hood is a 3.0-liter TwinPower Turbo inline-six engine that exerts 335-horsepower. The eight-speed STEPTRONIC transmission with wheel-mounted paddle shifters combined with the electronic throttle control makes for one of the smoothest rides possible. The standard driving dynamics control has five different modes depending on the type of drive: Eco Pro, adaptive, comfort, comfort+, and sport modes. One feature that differentiates the 7 Series from others is the carbon core construction -- plastic, aluminum, and steel parts that are reinforced by carbon fiber.

The new 740i comes with plenty of connection capabilities. Its own WiFi hotspot ensures all passengers can stay connected and entertained at the same time. Another interesting feature is the BMW Personal Assistant that is available by simply saying ?Hey BMW,? to utilize navigation and change settings. Optional packages include advanced real-time traffic and intelligent live parking information (at select markets).

This exclusive lease offer on the prestigious 2020 BMW 740i is happening now at BMW of Watertown, CT. According to a review left on Dealer Rater, a reputable dealership ratings platform, BMW of Watertown was ?phenomenal to work with and extremely knowledgeable!"
