Special Lease Offer on 2020 BMW X2

March 26, 2020

March 26, 2020 -
BMW of Watertown has just announced they are offering an exclusive lease deal on the X2 xDrive28i. With a STEPTRONIC transmission and sport and manual shifting modes, and auto start-stop function, getting around is a breeze in the X2. It gets above-average gas mileage at 32 MPG on the highway and 24 MPG in the city (27 MPG combined). It comes with a 2.0-liter BMW TwinPower Turbo engine that makes up to 228-horsepower.

The X2 belongs to a relatively new niche of automobiles called ?Sports Activity Coupes? which combines traits of a classic sedan with the platform of a sports utility vehicle. Optional packages like the premium package and dynamic handling package make the BMW X2 highly customizable with its already-unique style. Even better, with it being one of the smaller BMW?s on the market, it?s built for urban areas and weekend getaways.

Comfort is one of the X2 xDrive28i?s top priorities with climate control for the whole cabin, wireless charging station, interior air filtration, and audio and cruise control on the leather steering wheel. One can observe the attention to detail in the BMW X2 xDrive28i at first glance with its distinctive look, and optional alloy wheels. The interior has a standard AM/FM stereo, seven total speakers, and USB connections, but is modernized with the BMW ConnectedDrive services and BMW TeleServices that are included too.

The new X2 strikes a harmonized balance with its safety and technology add-ons. In addition, other beneficial safety features are emergency braking assist, post-collision safety system, lane departure, and an accident avoidance system. Active driving assistant also comes standard on all X2 models.

For more information on how to lease a 2020 BMW X2, contact the BMW of Watertown dealership directly.
