

Beltone USA Announces Launch of Advanced Hearing Aids in Trussville, AL

March 26, 2020

March 26, 2020 - PRESSADVANTAGE -

Trussville, Ala. ? Beltone USA - Trussville is highlighting their newest addition to their line of advanced hearing aids in Trussville, AL, the Beltone Boost Ultra?. Recommended for those living with severe to profound hearing loss, the company believes that with the device?s advanced capabilities, the technology is poised to become the industry?s most comprehensive hearing solution to date. Alongside Beltone?s award-winning customer care, the hearing aids are significantly faster, have an extended battery life, and provide improved sound quality with unique sound clarity and speech understanding.

The Beltone Boost Ultra? comes equipped with Tinnitus Breaker technology, HPF80 NanoBlock protective coatings and Beltone?s signature Remote Care? which allows their patients to finetune their device from anywhere rather than requiring them to visit the clinic each time they need an adjustment made.

The?HPF80?NanoBlock?coating protects the hearing aid from dirt, moisture,?humidity, earwax and skin oils; elements that can, over time, damage hearing instruments' circuitry and reduce the effectiveness of the hearing aid.?The Beltone Boost Ultra's Smart Phone integration and Beltone?s own proprietary 2.4 GHz wireless technology keeps users conveniently connected to all their favorite communication and

entertainment technologies. Patients can choose from a range of wireless accessories that offers a better signal-to-noise ratio for an extra boost without the typical intermediate device worn around the neck.

The Hearing Specialists and Patient Care Coordinators are all professionally trained and committed to helping each of their patients find the right solution for their hearing needs and finance options. Each patient receives a free comprehensive hearing screening in Trussville, AL and personalized hearing health assessment aimed at providing the most accurate information and guiding customized treatment decisions for their patients while helping them navigate their insurance coverage and payment options.

For more information about the Beltone Boost Ultra or to schedule an appointment with one of Beltone USA's Trussville's Hearing Care Coordinators at (256) 353-5010 or on their website at www.beltoneusa.com/trussville.
