Floor Safety Business Continue Operations

March 29, 2020

March 29, 2020 -
Service providers that are necessary for maintaining the safety of residences are allowed to remain open despite the threat of COVID-19. Among these companies include Tripp Brothers Non-Slip Treatments, the Best Floor Safety Service in Bluffton, SC. This is in line with the recent State and Federal order as cases of the global pandemic continue to rise in the United States.

Tripp Brothers Non-Slip Floor Treatments says they fully support the measure and will remain operational during these times. The company commits to follow extensive precautions while ensuring efforts to meet customer needs. They further assure to implement rules promoting social distancing.

The Bluffton-based floor safety company is offering slip-resistant flooring for residential and commercial clients. They promote home safety by reducing the chances of slips, trips, and related accidents at home. Through their non-slip treatment, the company dramatically reduces the chances of accidents on the floor, bathtub, shower, garage, and other potentially dangerous areas.

Tripp Brothers Non-Slip Floor Treatments is also a popular distributor of Sure Step, a quality chemical product for non-slip flooring. Their process is likewise proven to increase a surface's coefficient of friction by 200-400%, when wet. Their chemicals also have been evaluated according to industry standards adopted by

the American Society of Testing and Materials (A.S.T.M.).

The highly-effective chemical used by the floor safety specialist does no harm and has no effect on the appearance of any surface it is applied to. The chemical they used is known to create an invisible, sophisticated tread design into the surface of hard mineral floors and porcelain/enamel bathtubs. It is all proven effective for concrete, quarry tile, Spanish tile, ceramic tile, glazed brick, marble, terrazzo, porcelain/enamel, and many other hard mineral surfaces.

"We use highly effective chemicals that do not harm surfaces. In fact, after its application, it is completely removed, leaving areas much safer. The results are amazing," states Tripp Brothers Non-Slip Floor Treatments.

The flooring safety business particularly delivers different non-slip flooring for all types of flooring, including porcelain non-slip floor tiles, non-slip floor tiles for showers, non-slip kitchen flooring, and non-slip laminate flooring, among others. The company is being maintained by brothers Paul and Tom Tripp.
