April 03, 2020 - PRESSADVANTAGE -

Rathweg Insurance Associates, Inc., an independent insurance agency based in Kettering, Ohio, has announced that they are offering home insurance to homeowners in Dayton, Ohio. They can help homeowners in choosing the proper home insurance coverage for their property. Typically, home insurance will cover the following: replacement costs; the structure of the home; liability; living expenses in case of a disaster; and personal possessions up to a certain limit. Supplemental policies may also be purchased, such as floater policies for valuable articles like jewelry; earthquake policies; flood policies; and umbrella policies for additional liability. More about this can be gleaned from <https://www.rathweginsurance.com/home-insurance>.

Andrew Rathweg, President of Rathweg Insurance Associates, Inc., says, "The needs of every home owner are different and your home insurance policy should reflect that. The agents at Rathweg Insurance will create a homeowner's insurance policy that will best suit you and your family. Contact us today for more information on our comprehensive homeowner's insurance policy options."

Home insurance is important because it keeps the homeowner's investment protected in the event that the

house suffers some damage from an incident, such as fire, vandalism, wind damage, theft, and more. It may cover not just the dwelling but also the personal properties inside the home. It should be noted, however, that unlike car insurance, home insurance policy prices are not based on state-level laws. Nevertheless, there are major differences in home insurance prices between states. An insurance agency like Rathweg Insurance Associates, Inc. can help homeowners in finding the policy that offers the most value by comparing rates from various insurance companies.

Meanwhile, aside from home insurance, Rathweg Insurance Associates, Inc. may also be able to help people in finding the right policy for auto insurance, business insurance, life insurance, and pet insurance. They represent various carriers, such as Auto-Owners Insurance, Hastings Mutual Insurance Company, Progressive Insurance, State Auto Insurance Companies, West Bend, and Western Reserve Group. Those who would like to know more about the insurance agency may want to follow their Facebook page at <https://www.facebook.com/RathwegInsurance>.

Rathweg Insurance Associates, Inc. will also strive to provide the best personal customer service in finding the right auto insurance policy for the customer. They want to point out that they will offer competitive rates and discounts to their customers and their customer service agents are only one phone call away if customers have any question. Potential customers may request for an auto insurance quote and they suggest that they need to have their current policy on hand to ensure that the quote can be as accurate as possible.

Rathweg Insurance Associates customer service agents can also help with business insurance. This will need to be customized to the specific requirements of the business., whether what is required is property insurance for a restaurant or a car dealer's blanket coverage to protect the cars at the dealership. Some of the possible commercial coverages are contractors, childcare operators, commercial general liability, commercial auto, property insurance, and commercial umbrella.

And then there is life insurance, which is important for people who have others depending on them financially. A life insurance policy will ensure that the policyholder's dependents will be provided for after the policyholder has passed away. The specific policy will depend on whether the customer is single, married and with children, an empty nester, retired, or a small business owner.

And finally, they can also offer pet insurance, which reimburses the pet owner for a dog or cat's unexpected medical expenses. This is provided through Figo, who will reimburse the amount spend for a pet's treatment at any veterinarian for injury or illness. To claim the reimbursement, the policyholder will simply take a photo of the vet bill and upload it through Figo's Pet Cloud mobile app. The amount will usually be available within seven days.
