April 15, 2020 -

ShowerMeister, based in Mississauga, Ontario, Canada, has announced that they have released a whole new set of reviews for both whole home filtration and shower heads. For the water filters, these include reverse osmosis systems, under sink water filters, faucet water filters, whole house water filters, and shower filter for hard water. For shower heads, these include shower heads for low pressure, high pressure shower heads, handheld shower heads, waterfall shower heads, rain shower heads, and LED shower heads.

Mike Chrest, a spokesperson for ShowerMeister, says, ?We specialize in all bathroom equipment including shower heads, shower cabins, bathtubs and much more. If you landed on our page, you are probably looking for the best shower head that there is, and we are going to take a look at each of them separately and help you choose the best shower head so you can be satisfied. We are also offering water filtration systems.?

In one of the reviews, they focus on the 10 best reverse osmosis (RO) systems. The article also discussed the basic things to consider before purchasing a reverse osmosis system. These include the different types of RO systems: countertop, under sink, whole house, and portable systems. Some of the top RO systems available are the Home Master TMULTRA-ERP, Home Master TMAFC-ERP Artesian, Waterdrop RO, iSpring

RCC7P, and NU Aqua Platinum. More about these reviews can be found at https://showermeister.com/water-filtration/.

They also present the 8 best under sink water filters. Some of the top under sink water filters include the iSpring 75GPD Under Sink Water Filter, CuZn UC-200 High Capacity Under Counter Water Filter, APEC Top Tier Alkaline Reverse Osmosis Water Filter, Woder 10K-GEN3 Under Sink Water Filter, and Home Master TMAFC Water Filter System.

They also indicate the 7 best faucet water filters. These include the Engdenton Stainless Steel Water Filter, PUR FM2500V Classic Faucet Mount Filter, DuPont WFFM100XCH Premier, Culligan FM-25 Faucet Water Filter, and Culligan FM-25 Faucet Water Filter. Also mentioned are the 10 best whole house water filters. These include the SpringWell Water Whole House Water Filter System, AquaOx Whole House Water Filtration System, FilterSmart Whole House Water Filter FS1000, iSpring WGB32B 3-Stage Whole House Water Filtration System, and iSpring WGB22B 2-Stage 20 Big Blue Whole House Water Filter.

Reviews for shower heads include the 10 best shower heads for low pressure. There are a number of things to consider when buying shower heads. These include size, quality, price, and appearance. The top shower heads for low pressure include the Delta 2-Spray Shower Head Water Amplifying, YOO.MEE High-Pressure Handheld Shower Head, Aquadance 7? Premium High Pressure, Speakman S-2005-HB 2.5 GPM Adjustable Shower, and G-Promise High-Pressure Shower Head Premium.

With regards to high pressure shower heads, ShowerMeister presents the five best shower heads. These are the Speakman S-2251-PN, Kohler K-10284-CP, Speakman S-2007-PB, Aqua Elegante, and Culligan WSH-C125. They also present the 5 best handheld shower heads. These are the Aquadance, HotelSpa, Vida Alegria H5+, Moen 23015SRN, and Moen 26100SRN. For the five best waterfall shower heads, these are the A Flow 2 Function Waterfall Shower head, Golden Vintage 63? Waterfall Shower Head, Eyekepper Waterfall Shower, Akdy 9? Rectangular Waterfall Shower, and the DreamSpa Ultra-Luxury 9? Shower Head.

They also discuss the five best rain shower heads. They are the SR Sun Rise 12?, AKDY AZ-6021, Thunderhead TH2.5, Decor Star 004-SS, and the Moen S6320. And finally, they discuss the five best LED shower heads. These are the Getek Square Rain Shower Head with Lights, Luminex by PowerSpa Lighted Shower Head, Dreamspa Aquafan LED Shower, Rozin LED Rain Shower Head, and the AquaFaucet LED Rainfall Shower Head.
