While certain other contractors may hesitate to correct minor issues discovered over the course of a roofing project, Marriott & Sons Roofing prefers to see such situations as opportunities to prove themselves to their customers. This means that a roof will continue to be repaired or installed, as the customer requested, without the work being stopped for renegotiations over price?and without any further delays.

Their recent review, written by Karen C, says, ?Marriott & Sons Roofing is personable and professional. They know their stuff about roofing, and took photos during his inspection to show us what work needed to be done and why. The crew came exactly when they said they would, and worked for 12 hours to get the work done and the property cleaned up. The next day a second clean up was performed. The roof looks fantastic and, best of all, there are no more leaks in the living room ceiling, thanks to Marriott & Sons Roofing and their roofing crew."
