April 21, 2020 - PRESSADVANTAGE -

Bradenton Carpet Cleaner, a leading carpet cleaning service located in Bradenton, Florida, has continued to work with residential and commercial customers during the current Covid19 pandemic. Bradenton Carpet Cleaner has been serving the Bradenton and Sarasota area of Florida for over 20 years. They currently provide carpet steam cleaning and upholstery cleaning services for residential and commercial customers in Bradenton, Lakewood Ranch and Sarasota Florida.

Owner, Ken Webster notes "Many customers of mine are very concerned with keeping their home clean and healthy. We are still providing our services during this difficult time, while taking precautions to maintain health and safety for ourselves and our customers. We are happy to continue to provide our services to our customers and keep their homes clean. Our service provides many benefits when compared many "large" carpet cleaning companies. Our signature services include steam cleaning using water that is heated up to over 200 degrees Fahrenheit. This alone provides health benefits and sanitizing of carpets. Added to that, we use a proprietary blend of oxygen peroxide based spray that also helps to disinfect carpets."

One large factor that differentiates Bradenton Carpet Cleaner from "large" commercial companies is the

service provided. Bradenton Carpet Cleaner provides outstanding service to its customers and instead of covering as many carpets a day as possible, like the large commercial companies. Bradenton Carpet Cleaner takes pride providing outstanding service and making sure customers are happy with the service provided. Often times after the carpet is cleaned homeowners find that they no longer need to replace their carpet. Bradenton Carpet Cleaner is a highly rated and reviewed carpet steam cleaning company and has an excellent reputation in Bradenton and Sarasota Florida.
