A Plumbing Company in Rancho Cucamonga, CA Is Highlighting Contactless Services Provided During COVID-19

April 24, 2020

April 24, 2020 -

Rancho Cucamonga, Ca.- With COVID-19 impacting the entire world inviting someone into your home for plumbing services may be a scary thought. Drain Experts, a local plumbing company in Rancho Cucamonga, CA, is highlighting safe services they can provide amid the COVID-19 pandemic. They are proud to announce services that allow them to remain outside the home while still meeting the needs of their customers.

The services they are able to provide amid COVID-19 include any service where the plumbing work is completely outside the home. They are able to service most plumbing problems without even stepping foot within a home. One of the most direr plumbing needs is a water leak. Water leaks are a plumbing service they are able to fix while remaining outside. This is also considered an emergency service in which a homeowner should not hesitate to call, any time of day.

Drain Experts is also able to repair clogged pipes, provide water line repairs and provide drain cleaning services. The company has safety measures in place for the technicians to abide by social distancing

measures while working. For their customers, they are providing options to communicate and make payments over the phone making all services contactless.

Drain Experts has been serving the local community for many years and is invested in doing its part to help the community during the COVID-19 pandemic. The plumber in Rancho Cucamonga, CA is family owned and operated providing both commercial and residential services. The owner Rual has a passion for plumbing and loves helping anyone he can. Drain Experts offers 24-hour emergency services for anyone in need. For more information call them at (909) 333-9469 or visit them online at www.drainexperts.com.
