April 27, 2020 - PRESSADVANTAGE -

Philadelphia, PA - The Philadelphia slip and fall attorneys at Philly Slip and Fall Guys have announced their upcoming legal webinar on premises liability.

“On April 30th, 2020, at 9:30 PM, our legal team will provide legal guidance on the many locations a slip, trip or fall can occur, and what types of accidents are considered premises liability cases. The purpose of this webinar is to give insight to individuals wanting more information if they have suffered injuries caused by a slip, trip, or fall. Filing a lawsuit can help recover medical expenses the accident may have incurred and will assist in lost wages, ongoing medical treatments, and emotional distress,” explains Keith Kofsky, Esq.

The slip and fall lawyers in Philadelphia have served clients who suffered injuries caused by accidents in grocery stores, restaurants, on public sidewalks, apartment complexes, and retail stores.

Mr. Kofsky goes on to share, “If an accident happens on private property, some clients don’t want to cause any trouble for the owners, and choose to pay for their injuries themselves, racking up debt and causing unnecessary financial stress. Our legal team does not want victims to suffer more than they already are,

which is why we want to clarify filing a lawsuit doesn't necessarily mean you are going against the person directly, but their insurance company.?

Philadelphia residents who would like to join in on the webinar, please email info@phillyslipandfallguys.com.

The Philadelphia Law Office is located at: Philly Slip And Fall Guys 1617 John F Kennedy Blvd #355, Philadelphia, PA 19103, USA (215) 268-6898.
