May 18, 2020 - PRESSADVANTAGE -

TinyFrog Technologies, a San Diego web design agency, announced today that it has been named one of San Diego's Top 3 Web Designers by Three Best Rated.

Three Best Rated is dedicated to discovering the top 3 companies in a given city by analyzing 50 different features of each business. With an extensive process, Three Best Rated serves four million customers a month with reliable recommendations and up to date contact information about each business they select.

This is the third year running that TinyFrog has received the honor of Top 3 Web Designer in San Diego, demonstrating the agency's consistently high-caliber work. TinyFrog's placement on Three Best Rated was based on outstanding ratings across 50 factors, including awards, ratings, reviews, reputation, history, customer trust and cost. Three Best Rated's in-depth assessment criteria highlights companies that are masters of their craft, with many years of quality service and dedication to their customers.

"We are so honored to be acknowledged by Three Best Rated. We love working with our clients to create innovative, compelling websites that help their businesses thrive," said Mikel Bruce, founder and CEO of

TinyFrog Technologies.

With 25 skilled team members, TinyFrog Technologies has built over 1,000 websites, specializing in financial website design and B2B web design among other industries. In addition, the Tiny Frog team offers support to their customers with secured WordPress hosting & maintenance in order to keep clients' sites running smoothly over the long-run.

The recognition by Three Best Rated is one of a growing number of accolades that TinyFrog has received, including awards by UpCity and Clutch as a top web designer in the US and globally.
