June 02, 2020 -
Traverse City, Michigan based Amber Cyman Real Estate is pleased to announce that they recently listed two premier properties in the Grand Traverse County area. The real estate firm is also pleased to offer their expertise and professional services to those who are interested in selling or acquiring properties in the greater Michigan area.

As noted on the company?s website, real estate agents in Michigan are once again allowed to list new properties for sale and do estate showings to potential buyers. In line with this development, the company has already listed two premier Grand Traverse properties that can be viewed on their website under the "Find A Home!" page. The Amber Cyman Real Estate team is also pleased to inform everyone that they are ready to provide all assistance required to buyers and sellers despite the COVID-19 pandemic.

Amber Cyman, founder of Amber Cyman Real Estate, says, ?If you are planning to put your home up for sale, there are a lot of things you need to do and consider. The first thing is for you to have an idea on how much your home is worth. This plays a huge part in how much money you can earn from the sale to fund your next big purchase.? To help with this crucial step in selling a property, Amber Cyman Real Estate states that they have an easy-to-use home calculator on their website.

Home sellers simply need to fill-out an online form where they will be asked to provide essential information that includes their name, email address, a short description of the property as well as where it is located and when they would like to sell their property. By filling out this non-obligatory form on the Amber Cyman Real Estate home calculator webpage, the individual may receive an instant, confidential market evaluation for their property. Aside from having a home calculator that is easy and free to use, the company also takes pride in maintaining a large network of personal contacts as well as good working relationships with other real estate

agents in Northern Michigan. The firm also states that they operate several large Facebook Groups in Northern Michigan (with tens of thousands of members), which is something that no other real estate professional in Northern Michigan can match. Furthermore, they place a heavy emphasis on personally networking within the community as well as digital marketing, which allows them to give their clients the competitive advantage when it comes to listing a home for sale on the MLS.

Amber Cyman Real Estate?s efforts are best showcased by the positive reviews left online by their customers. Katie Chamberlain, a first time home buyer, says, ?Amber helped us buy our first home. She was wonderful, worked hard and made sure we got into any house we wanted to see. She was also always available for questions. We would definitely recommend Amber for your house hunting needs.?

David Rhine, another satisfied customer of Amber Cyman Real Estate, says, ?We took two years to find the house of our dreams, and Amber was with us every step of the way. We had a tough price point and some high standards but Amber took our challenge and made it an amazing experience. If there ever was a listing that came up, it didn?t matter what time of day, Amber would send it. With no reservation and with highest regard, there?s only one call you should make when trying to find a house?and that?s to Amber Cyman.?
