

Grace Roofing And Construction LLC Opens New Location In High Point, NC

June 01, 2020

June 01, 2020 - PRESSADVANTAGE -

Grace Roofing And Construction LLC is reaching out to the wider community to announce that they have opened a new location in High Point, North Carolina. The new location will focus on offering quality roofing services to local homeowners in Winston Salem, High Point, Greensboro and the surrounding areas.

Richard Sakowski, owner of Grace Roofing And Construction LLC, says, "While we may be relatively young as far as roofing providers go, we have already established a positive reputation by showing our community our dedication to fair prices and quality roofing services that outlast the competition. With our new location in High Point, we hope to provide the residents of the area with reliable roofing services that they can always depend on. When you need a local roofing expert you can trust to do the job right, whether it's a simple repair to fix a leaking roof or a full roof replacement, we've got you covered."

The team at Grace Roofing And Construction LLC are experts in High Point EPDM roofing, High Point asphalt roofing, and High Point metal roofing, and have an industry-leading 10-year written workmanship warranty for all roof installations. Further, the company is also Owens Corning and CertainTeed certified to deliver the best to their clients. Grace Roofing And Construction LLC asserts that they only use premium, guaranteed shingles. They also provide free, quick and efficient roof estimates for all properties in the area. More information about the company can be found at the following link: [High Point NC Roof Replacement](#).

Sakowski says, "As a roofing contractor, what sets us apart from our competitors is the fact our leading philosophy is to maintain a clear line of communication with our clients. We strive to be friendly, professional, and transparent. When you hire us to provide a roofing service for you, you can trust us to price competitively, communicate efficiently and deliver a high quality result on time, every time."

He explains that, "As a small, family-owned business, we have been very fortunate. Throughout our 15 years in the business, we've grown to a point where we are big enough to take on any job that comes our way. At

the same time, however, we're small enough that we can build long-lasting relationships with our clients and provide a personalized service. In addition to providing a whole host of residential roofing services, Grace Roofing And Construction LLC also provides commercial roofing and roof maintenance services for businesses in High Point and the surrounding areas.

The high quality services provided by Grace Roofing And Construction LLC have earned the company a lot of praise from the local community. On the Google platform, the High Point NC residential roofing company has a near perfect rating of 4.8 out of 5 Stars. In a recent review, John Webster says, "Richard kept me informed with the positives and the negatives and ultimately helped me make the best decision for my roof. When it came time to do the job, Grace Roofing had a very professional, efficient team. Everything went as I was told, the crew was professional and courteous and, in the end, I had the roof I wanted. I would highly recommend Grace Roofing to homeowners in the Winston Salem area."

The company maintains this reputation on Facebook as well, where they have a similarly high rating. In her recent review, Whitney Clifton Shoun shares her experience with the company, writing, "Amazing group of guys! I requested five quotes, and this company was the most professional and put together. Richard, the owner, was amazing, he explained everything step by step more than once. When he wasn't there, his crew was great and on time! They even took the time to go over our yard twice, making sure everything was cleaned up!"

Those who want to learn more about Grace Roofing And Construction LLC and their services are welcome to visit the company's website. Additionally, they encourage interested parties to get in touch with Richard Sakowski directly via email or phone. The company can also be reached through the contact form on their website. In addition, Grace Roofing And Construction LLC maintains a presence on Facebook where they frequently post updates, share media and communicate with their clients.
