

MedSource USA Now Selling High Quality Mat Tables

May 27, 2020

May 27, 2020 - PRESSADVANTAGE -

MedSource USA has been releasing a series of modern medical equipment, sports equipment, rehabilitation equipment and physical therapy equipment. The company has been in business for years and has build a name for itself in the supply of medical equipment. Recently, the company announced the addition of ultramodern mat tables. This is aimed at making sure that their customers are well taken care of when it comes to durable mat tables.

According to the company, ?Armedica wood tables and mat tables offer elegance in practical designs, and a natural wood finish adds to the attractiveness of these full size treatment tables. Whether your needs are for a plain table or one of the many variations available, you are sure to find the exact model you need. All of our wood tables and mat platforms have these outstanding features: Full 3" Maple hardwood legs for stability and strength. 34 oz. Heavy-duty vinyl with Permablok3(R) bacterial protection. 2" firm density foam tops. Radiused, seamless corners on upholstered components. Other sizes available upon request.18 month warranty covering materials, defects, and craftsmanship. This is a custom item, allow three weeks for manufacturing.?

The company has been in the front line of providing medical equipment for professional and private use. From massage tables, pediatric tables and now lighter but durable mat tables. They have also ensured that

they have the best prices in the market to give customers a value for their money. These tables are from reputable manufacturers who understand the needs of the market and the type of materials that will serve customers for a long time.
