

Security Now USA Readies Manpower As Commercial Businesses Reopens

May 27, 2020

May 27, 2020 - PRESSADVANTAGE -

As most states start to lift their stay at home order, non-essential businesses such as restaurants reopen in the United States. With the reopening of most companies, commercial security services also become more vital than before.

Security Now USA, the Top Security Service Company in the USA, says that restoring site security is a must for businesses. Malls and commercial buildings will likely need someone to guard their place around the clock with the expected surge of people.

In line with this, Security Now USA assures its clientele that they have enough workforce to answer the demand. The commercial security firm ensures to provide the highest levels of security and service 24 hours a day. The company boasts its reliable team of security guards who have backgrounds in law enforcement or the military, and knowledgeable of the law. All personnel are also licensed by the Ohio Department of Public Safety Private Investigation Security Guard Section to provide armed or unarmed services.

"We firmly believe that the most valuable resource we offer is our team members," the Best Security Guard

Service in the USA states.

Moreover, Security Now USA says they will continue to ensure that their workers remain safe, especially their clients. The management of the security firm provided instructions on workstation cleanliness to all its people. All security officers were also equipped with personal protective equipment. Guards from Security Now USA are trained to impose the use of masks, alcohol or hand sanitizer, and social distancing in public areas.

The company will also maintain its online booking services. "Our booking is available online all the time, so there are no hold times or hassling with automated systems. Schedule and book your guard with ease using our system," the company states.

Headquartered in Sherman, California, Security Now USA is a trusted authority in security guard services serving all locations in the US. The security giant provides guards for banks, hotels, construction sites, and events. They are also a known player in specialized security services such as dispensary security, maritime security, general security, temporary security guards, and fire watch services. To check the complete list of their services, visit their official website at <https://www.securitynowusa.net/>.

Security Now USA is also known for its user-friendly mobile app exclusively for its clients. Through the app, clients can monitor and communicate with security guards on duty. This feature also allows guards to report the real-time situation and provide immediate action quickly.
