

MedSource USA Adds More Mat Tables From Reputable Manufacturers

May 29, 2020

May 29, 2020 - PRESSADVANTAGE -

From 1996, MedSource USA has been selling high quality equipment. These include medical equipment, fitness equipment, rehabilitation equipment and physical therapy equipment. For more than two decades, the company has satisfactorily sold high quality equipment and continues to expand their inventory to make sure that they take care of their customers' needs. This is through working with professional manufacturers who understand the changing needs of patients and professionals. Recently, the company has released a statement on the addition of new mat tables in their inventory.

According to the company's website, "Mat Table has a simple yet beautifully handcrafted design that complements any therapy office, athletic training room or gym. The style of this stationary table is matched by its strength and practicality. The cabinet with sliding doors provides plenty of room for discreet storage and easy access to towels, sheets, bolsters and other accessories. The top provides plenty of room for exercise, movement and therapy work. The firm foam system is ideal for supporting clients during therapy sessions. The 800 pound weight limit is ideal when working with larger-stature individuals and athletes. All our products come from reputable manufacturers who have been in business for a long time and know what the end users need. Our experience in this industry spans over 2 decades and we have strived to always provide the best

services in all the fields that our company touches."

For more information on mat tables and other equipment and products that the company sells, visit the MedSource USA website.
