Air Conditioner Repair Company in Pensacola, FL Suspends Overtime Rates for Summer Season

May 29, 2020

May 29, 2020 - PRESSADVANTAGE -

Pensacola, Fla. ? As many Floridians are facing financial constraints, the summer season is still barreling down and projected to be warmer than average. In an effort to support their community during this time, an air conditioner repair company in Pensacola has suspended their overtime rates for after-hours calls.

All Seasons Service Network offers replacement, repair, and maintenance for air conditioning and heating units. Like most in their industry, the company is available 24 hours a day, 7 days a week but for calls made outside of normal business hours, 8 am to 5 pm, there are traditionally additional fees incurred. For the 2020 summer season, those in need can reach All Seasons after hours for service without additional cost.

?We know fixing your air conditioning system is a big financial decision and we're all feeling the pressure that COVID-19 has put on us.? Stated Mike Sarra, owner of All Seasons, ?While it might be small, we're glad we can do something to help ease the strain a bit. The only thing worse than being trapped at home is being trapped in an uncomfortably hot home.?

In addition to having suspended their overtime rates for the summer season, the HVAC repair company in Pensacola offers free estimates on new equipment, flexible payment options and reliable solutions year-round.
