August 28, 2015 - PRESSADVANTAGE -

Awards Trophy World, a promotional products Miami, FL company, is proud to announce the completion of the renovation and refurbishment of its production facilities. The company was established in 1959, and before the renovation, had remained mostly unchanged. The changes to the facility mean that the company will be able to take on more work and provide improved services.

"We expanded our art department's size by 150%, which allows us to add the latest technology to our production department," says Larry Cravez, President of Awards Trophy World. He added, "The results will be even faster production times on our products and greatly creative and artistic capabilities. So our clients will continue to receive the best looking award products on the market in the time frame they demand."

Awards Trophy World is the largest awards manufacturer and retailer in South Florida. They have built a reputation as being the best. And when it comes to corporate awards Miami companies can confirm that the vast majority have actually come from this company. The business understands that their success is largely thanks to the continued trust their customers have placed in them. This is why they frequently add new services to their offerings, so that they remain up to date and can meet even the most complex demands.

"In addition, we have added in house embroidery and silk-screen machinery," explained Larry Cravez. "This

will allow us to produce larger quantities of decorated apparel and uniforms, at a faster rate of production."

The company has seen exceptional growth since 1959 and they have even weathered out the recent economic downturn. More and more clients are turning to Awards Trophy World for their corporate and other awards. The selection that is now offered, as can be seen on the company's website at [www.awardstrophyworld.com](http://www.awardstrophyworld.com), is truly extensive. For awards alone, they offer many different materials and types and even allow customers to choose trophies based on the event that will be celebrated. Additionally, they offer promotional products, decorated apparel, self inking stamps and custom framing. These have all been made possible thanks to the larger facility.
