Amazon Keyword Tracking Tool From MBS Offers 90-Day Free Trial

June 01, 2020

June 01, 2020 - PRESSADVANTAGE -

Today ManageByStats announced that they're extending the offer for their Amazon Keyword Tracking tool. New users can try the tool for 90 days with up to 100 keywords. Users will be able to set up and track those keywords across up to 5 ASINs. ASINs are Amazon Standard Identification Numbers, or unique product identifiers on Amazon. ManageByStats is a comprehensive suite of software tools for Amazon sellers. MBS helps Amazon sellers more effectively run their Amazon business.

"We're showcasing this incredible tool with an incredible offer," says Philip Jepsen, CEO of ManageByStats. "New users can sign up and trial the full tool for 90 days, adding and tracking up to a hundred keywords."

Visualize keyword ranking with comprehensive graphs using MBS Keyword Tracker. Add notes, mark changes and gain critical oversight of keywords. Find top organic keywords, then target those to supercharge the effectiveness of bids. Daily updates to the number of reviews and star rating provide a quick analysis of changes to sales volume. Keyword Tracker also allows for the monitoring of competitor ranking.

"Ranking for the top keywords in your category can make all the difference," says Mister Jepsen. "Our

Keyword Tracker helps you stay on top of your rank so you can make the necessary adjustments to stay out front of your competition.?
