

New Yaelo Design Laundry Bags And Storage Bags Launched

August 31, 2015

August 31, 2015 - PRESSADVANTAGE -

Yaelo Design, a business in Miami, FL is proud to announce the introduction of the company's laundry and storage bags on Amazon. The bags, which are available in either blue or red, are large and sturdy and can be used for storage, laundry and more. Since their release, the products have already received numerous positive reviews. More details on the products can be found at <http://www.amazon.com/dp/B00TOF1DHG>.

"Carrying a load of laundry to the Laundromat is quite a chore, particularly if you have a large family," says Ori Firouz from Yaelo Design. "We see people on a daily basis hauling five or six carrier bags with them to do their laundry. Our large bag prevents that from happening and allows people to carry all their laundry, or other items, comfortably and safely in just one place."

The bag, which measures 30 by 40 inches, is made from 100% commercial grade heavy duty 420D polyester. It is perfect for large families, college students, and more. It comes with a reinforced shoulder strap that is two inches wide. This allows for easy and comfortable carrying.

People have been positively reviewing the bags from the moment they were released. "I am always so busy

with work and college that when I get around to washing my clothes it is always a huge mess!" says AD. "I end up with so many clothes and my laundry doesn't fit everything! Grrr, it's always so frustrating when I have too many clothes and not enough space to put them in. So when I discovered this Laundry Bag with shoulder strap I had to order and give it a try. Can I tell you that it is amazing?! Yes, totally worth it! Now all my laundry has a place that holds EVERYTHING. I threw away my laundry basket because it's no longer needed."

Yaelo Design, with website at <http://yaelodesign.com/>, fully believes in the quality of its products. This is why it comes with a full 30-day money back guarantee. However, the company is sure that nobody will ever need to use this guarantee.
