The newly launched cash-only services are offered to those avoiding foreclosure, facing divorce, on the verge of moving, behind in their mortgage, or liens. A spokesperson for the company said they buy houses in any condition, whether or not they are lived in, being rented, are vacant, or are not even habitable.

The company assures that there?s no need for the owners to clean up or repair the property, no need for an agent to assist in selling the property, and there?s no contract involved that binds the homeowner to a certain term. With this fast cash company, there will be no waiting or wondering, since there is no waiting period of 6-12 months, as is the case with other real estate companies.

Basically, if a homeowner in Hartford needs fast cash and is willing to sell, CashOfferOnHouse.com will offer that individual a fair cash proposal for their property and close on it when the time is right for the owner. The company uses a simple and easy three-step process for this to happen.

First, interested parties are encouraged to contact the company who will then research the details of the home and start crafting the best deal for the owner. Next, the company will present the owner with its cash offer, which comes with no fees or obligations. Once the owner agrees with the offer presented, then the deal is sealed and he/she will receive the payment as promised.

CashOfferOnHouse.com is different from other property buying and selling companies. With this company,

We want to buy your house! No real estate agents, no banks, no repairs, no clean-outs, no haggling.
