June 15, 2020 - PRESSADVANTAGE -

Palisades Mazda, a Nyack, New York based Mazda dealership, is pleased to announce the availability of their June Mazda CX-9 lease offers. Anyone looking to lease a Lincoln Continental is encouraged to take advantage of Palisades Mazda's June deals. One can lease a Mazda CX-9 for \$249 per month for 36 months, with \$4551 due at signing.

The Mazda CX-9 is one of Palisades Mazda's most popular models. "This stylish SUV was offered the highest possible safety rating by the independent organization IIHS because of its innovative approach to safety and hazard prevention," the dealership says. "The new Mazda CX-9 uses predictive i-ACTIV AWD® to keep you on the road and in control. This advanced system monitors everything from outside temperature to braking patterns and then adjusts power delivery to help give you optimal traction before your wheels ever slip. Even in perfect weather, i-ACTIV AWD helps improve road grip. Rain or shine, it's on alert to help keep you in control. But this cracking SUV is more than just a revolutionary car in terms of safety. The new Mazda CX-9 has an elegant, upscale cabin that makes for a truly premium driving experience. This stylish beast also offers three rows of refined comfort, with more volume and third-row legroom than its competitors."

The CX-9 further offers greater connectivity than other similar vehicles. It comes with Apple CarPlay® integration, which allows one to stay connected to the outside world while inside their CX-9. The vehicle is designed to provide everything from safety to comfort to connectivity, and one can rest assured they are getting everything a modern vehicle can deliver when they lease a Mazda from Palisades Mazda.

The dealership is committed to offering their customers the best possible deals for the new 2020 Mazda CX-9. "We love cars, and we want you to choose the perfect one for you," says Palisades Mazda. "This is why we guarantee an upfront, attractive and transparent price policy. Make sure you check our available CX-9 variations and choose from our extensive inventory of features, colors and pricing options. We are protecting your budget by offering regular price discounts and deals. Just check out the list of CX-9 deals on our website and find out on how you can save even more money when leasing or purchasing the new Mazda CX-9."

Palisades Mazda has a strong and committed sales staff with many years of experience. The dealership has been providing customers with the most attentive and unmatched all-around sales experience for more than two decades and aims to continue doing so long into the future. The dealership is conveniently located in Nyack and proudly serves multiple areas. Once one selects a vehicle, they can rest assured that Palisades Mazda will continue to offer support and service whenever it is required. The dealership is strongly committed to providing excellent service in virtually all scenarios, from the purchasing process to car servicing years down the line.

"We leased a Mazda CX-5 last weekend, and we were very impressed at the length our sales agent Ed went through in order to get our lease agreement done," says a Google Maps review of the dealership. "He even drove into NJ to pick up the lease agreement from FedEx when Fed Ex failed to deliver it to the Palisades offices in time. He stayed hours past the closing that day making sure we had everything we needed before we got on the road with our new car. Thank you, Ed, and thank you, Palisades!"

Another pleased client shared their experience with Palisades Mazda as well, saying, "My experience at Palisades Mazda was memorable. During a time like this, they made everything so simple. The staff were informative, knowledgeable and helpful. I would recommend anyone looking to get into something affordable and official to give them a go! A special thanks to Ed and Jaime!"
