The pick-up and delivery are the best. I am a very busy person in addition to being elderly, so it is so helpful not having to bring in my car. The employees at Lincoln are the best that I brag to others about and the service you provide. Please keep up the good work."

Another customer left a review that states, "White Plains Lincoln is the very best in every way. For me, it starts with their sales team, William Mercado and Jay Reyes (General Sales Manager). William and Jay have been personally assisting us in securing the best deal(s) possible on our last five MKX/Nautilus. We couldn't be happier with their knowledge and expertise of these vehicles, and also their ability to anticipate our needs, wants and desires when it comes to leasing a new vehicle! I highly recommend White Plains Lincoln when you are in the market for a new car, and please make sure you ask for William Mercado."
