Justin and team delivered professionalism as well as integrity and made sure I was the happiest customer by the end of my car buying experience. Whether you live out of the state or not, visit these guys! Thank you, Justin and team at Maserati of White Plains! You

have a customer for life.?

Meanwhile, in another 5-Star review, Damon Pugh-Patterson says, "Best car buying experience thus far. As a matter of fact, finding my new car from here was not even planned. However, I am happy that I came. The staff were friendly and accommodating. My sales guy was Peter, and he helped make my decision as straightforward and pressure free as possible. Upon entering, I was greeted by Charlene and Dona, who were the friendliest ladies to have a conversation with! This alone made me know I was shopping at the right place. Then I met Leonardo, who gave me an exceptional offer that I was happy to take. A couple days later, it was time for me to pick up my new car and go over the deal with the finance director Han, and he was also very straightforward and honest, and he even gave me advice on how I should maintain my new car. In all, I would say, between both visits, I was in and out in about two hours tops! Such a breath of fresh air from this dealership.?"
