White Plains, New York based Maserati of White Plains is pleased to announce their June lease offers for the Maserati Quattroporte. The dealership provides residents of Westchester County, New York a convenient way to browse the latest Maserati models, both used and new.

The Maserati Quattroporte is a marvelous feat of Italian engineering, combining race-bred performance with unrivaled luxury. All models of the Quattroporte boast powerful V6 and V8 engines built at the Ferrari factory in Maranello, Italy and up to 523 hp as well as a top speed of 193 mph with the Quattroporte GTS. Both the Quattroporte S and GTS offer exciting driving dynamics and sports-car handling, while the Quattroporte S Q4 (with intelligent AWD) provides optimal traction and all-weather safety. All models of the Quattroporte provide the ultimate luxury and comfort with available executive rear seating.

Leonardo Didonna, a representative of Maserati of White Plains, says, "The Maserati Quattroporte is a magnificent vehicle. It has a story dating back over a 100 years; a story of endurance and of embracing challenge. It's a story of going the distance and winning—and doing it all in audacious Italian style. The Quattroporte is the result of one of Maserati's boldest moves in 1963, when they introduced the world's first ever luxury sports sedan. They took a successful V8 motor racing engine, fitted it to a beautifully designed luxury sedan and then proudly presented their creation to the world. The car that was born then has evolved to become the icon it is today, an icon that you can own and drive. At Maserati of White Plains, we are offering an excellent Quattroporte lease you can take advantage of in order to get your hands on the magnificent beast that is the Maserati Quattroporte."

The wide range of vehicles available at Maserati of White Plains, along with the company's dedication to their customers, has them a lot of praise. On the Google platform, the car dealership has a rating of 4.7 out of 5 Stars. In a recent 5-Star review, Gordon Gebert praises the company's services, writing, "The sales staff, especially Angel, were terrific. Han was extremely helpful as well. They were patient with test drives, answered my many questions and handled all the details perfectly. A small glitch after the sale was very quickly, efficiently and effectively dealt with by Angel and the service staff. A great experience leading up to

an excellent purchase. I will certainly be returning when it's time for the next purchase and am certain, from experience so far, that service will be excellent.?

Meanwhile, in another 5-Star review, Joe Levine says, "My current lease was coming to a successful end and I wanted to upgrade, so I had a list. After driving all of the vehicles I was interested in, I noticed a common flaw: they were all "numb." Don't get me wrong, they were all nice, it's just that I spent a lot of time in a vehicle and wanted something spirited, yet luxury refined. Then I drove a Levante?hooked! Yes, the vehicle did everything well and it was time to do business, but who with? I then contacted Maserati of White Plains and met both Leonardo and Angel. These gentlemen absolutely get it! From our first discussion, the entire process was easy, seamless and professional. I have driven the vehicle for three weeks now and have enjoyed consistent contact from these people who are proving their commitment to my complete satisfaction. And yes, their pricing was fair as well. So, there it is, I recommend you contact this dealership and go drive their products. You will be absolutely satisfied, just like I am! Thanks, Maserati of White Plains, this entire experience has renewed my confidence that it can be done right!?"
