The historic 8 Series has recently been re-introduced to the BMW family just two years ago, and various new models have been added to the line in 2020, including the 840i, the 840i Gran Coupe xDrive, and the M850 Gran Coupe xDrive. The 8 Series is powerful, sleek, and makes a statement with its curvy frame and sporty nature.

The 8 Series is a manifestation of performance, aerodynamics, and comfort for the daily driver. The driving assistance package (and driving assistance professional package) is available on all 8 Series models. Available options even include Microsoft Office 365 and Skype for Business integration for the modern business person who needs to multitask frequently. Standard safety characteristics include child seat anchors, post-collision safety system, traction control, four-wheel ABS, and stability control.

The exhilarating 3.0-liter inline-six engine outputs 335-horsepower, and the more powerful 523-horsepower that comes on the M850i for the driving enthusiast. Combined with electronic throttle control and electronically controlled engine cooling comes an 8-speed automatic transmission with sport and manual shift modes. The ride proves to be thrilling with added launch control and sports exhaust system. With the adjustable suspension settings, handling corners has never been easier or more enjoyable.

There are numerous mechanical and aesthetic qualities to rave over with the 2020 BMW 8 Series, and endless combinations of convertible, coupe, or four-door. Anyone interested in this exclusive lease offer on the BMW 8 Series should inquire directly to the dealership
