June 22, 2020 - PRESSADVANTAGE -

Grace Roofing LLC, a Winston-Salem roof repair company, has announced with pride that they have recently received a glowing five star review from one of their customers. The homeowner recalls how Grace Roofing helped them with their insurance claim after a number of roof shingles were lost due to a recent storm. The roofing contractor was able to identify some roof damage that was overlooked by the insurance adjuster and this helped them obtain a full roof replacement rather than just repairs.

Pavel P., the customer who gave the five star rating, said, "Grace Roofing helped us with our insurance claim after we lost some shingles in a recent storm. They identified roof damage that the adjuster overlooked and helped us get a full replacement instead of repairs. They were professional and the work was done in a timely manner. Clean up was good, we will definitely contact for future projects."

The company is fully insured, A+ rated by the Better Business Bureau (BBB), and has a team roofing experts. They are a locally owned and operated roofing company who is also CertainTeed, and Owens Corning certified, which guarantees that they only use premium materials and install them based on the manufacturer's standards.

In response to the recent Winston Salem roofing review, Richard Sakowski, owner of Grace Roofing, said, "We would like to thank Pavel for taking the time to leave us a review, and trusting us to install your new roof. It's always in your best interest to have a contractor that's experienced in roof storm damage to assist with your insurance claim and make sure you get compensated properly. We are glad we were able to help and appreciate your business."

Richard Sakowski wants to stress that throughout the years, they have established the reputation of being the preferred flat roof repair contractor in Winston Salem. This is because they have come to be known as a roofing company residents of Winston Salem can call whenever they have a storm damage emergency roof

repair. Storm damage is quite common in the area with homeowners often finding they have roof leaks, damaged or missing shingles, warped shingles, or damaged asphalt shingles after a storm. Grace Roofing is available 24/7, from Monday to Sunday, which means that homeowners can call them anytime they require emergency roof repair.

Aside from roof repairs, they can also provide roof replacement. This is needed by homeowners who have a roof that has reached the end of its life. Just like with their roof repair, with their roof replacement service, they are also committed to providing the best in customer service. They will always strive to render excellent workmanship and they're so sure of their roofing installations that they offer a leading 10-year warranty.

Aside from residential roofing services, Grace Roofing also provides commercial roof repair or installation in Winston Salem. What makes them stand out in this particular category includes their competitive pricing, CertainTeed certification, 10-year workmanship warranty, A+ BBB rating, and recommendations from previous customers.

They are also capable of installing or repair metal roofing for the home. Metal roofing is one of the most preferred types of roofing because it is energy-efficient, durable, and has a broad range of colors to choose from. Grace Roofing offers a complete suite of metal roofing installation services in Winston Salem, while offering affordable pricing. The high quality metal panels they use for roofing have a 29, 26, or 24 gauge thickness and are sourced from Central States in Mount Airy, North Carolina. These metal panels come with a paint system that has a warranty against rust, oxidation, and fading for the entire life of the metal roof.

Homeowners and other property owners who require the services of a Winston Salem flat roof repair company may want to check out the website of Grace Roofing LLC, or contact them on the telephone, or through email. They are open 24 hours a day, everyday of the week.
