Beltone USA a Hearing Center in Cumming, GA Launches New Online Shop

June 25, 2020

June 25, 2020 -

Cumming, GA ? With over 1,500 locations in Northern America, Beltone is one of the top hearing care centers in the nation, with a local hearing center in Cumming, GA. The company announced today they have launched a new website shop for their patients driven by the unprecedented conditions of COVID-19. The online store, shop.Beltone.com, offers a large assortment of hearing care accessories, to support patients seeking to limit unnecessary social interactions. The items offered will include cleaning and care products, charging accessories, remotes, batteries, and streaming devices.

Beltone is proud to be the only significant hearing care retailer currently providing a trusted online shopping experience including direct-from-manufacturer solutions for all patients across the nation. The increasing need and desire of Beltone USA's hearing aid patients needing alternative options to purchase and receive essential supplies for the safety of their home was the driving force behind the creation of the site.

“The COVID-19 Pandemic is clearly shaping new behaviors,” says Beltone President Mike Halloran. “Especially among older consumers who are becoming more comfortable shopping online and who happen to be the majority of the patients we serve. We’ve built this site for them because they are asking for it.”

The items first available at the online Beltone store will be solely hearing accessories and supplies. Patients will still need to visit a physical Beltone location for hearing aid fittings and purchases. After hearing aids are fitted and purchased in-store, Beltone Remote Care Live provides patients with the option to consult their trusted hearing care professional via telehealth video. During telehealth appointments, hearing aid adjustments can be made in real-time from the comfort of home. All telehealth appointments can be made from both the online store and Beltone.com. For more information about needing a hearing aid in Cumming, GA give the local Beltone USA office a call at (678) 456-4393 or visit them online at www.beltoneusa.com.
