Pub Crawl Budapest usually offers five types of tours but it would be a good idea to check first with them for any modifications that they have implemented because of the COVID-19 pandemic. The five usual tours offered are the All You Can Drink Pub Crawl Through the Ruin Bars in Budapest, Pub Crawl Through the Ruin Bars in Budapest with T-shirt Included, Budapest Original Ruin Pub Crawl Including 5 Shots, Budapest Private Microbrewery Tour and Craft Beer Tastings, and Private Hungarian Wine-Tasting Tour of Budapest.

In the All You Can Drink Pub Crawl Through the Ruin Bars in Budapest, the participants get to visit ruin bars that are not a part of the mainstream pub and nightlife in the city. These are pubs that have become well known because of their cheap drinks and peculiar decorations. Because of that, participants would be able to experience a unique night out, hopping between these ruin bars, while they are brought to some of the best spots. Participants will spend almost an hour of unlimited drinks while enjoying VIP club access to all night partying in Budapest.

Meanwhile, the Budapest Original Ruin Pub Crawl Including 5 Shots will allow the participants to experience some of the most unique drinking places in the capital city. The ruin pubs are actually located in abandoned buildings. They are usually hard to find unless a local guide who is familiar with the area is present. This tour will include four of these ruin bars and one club. Participants can expect an experience they will never forget in Budapest, enjoying some sightseeing, drinking, and dancing with friends and new acquaintances.

And for those who love to drink beer, there is the Budapest Private Microbrewery Tour and Craft Beer Tastings. This is a private walking tour in which participants will get to enjoy tasting craft beers from the city?s emerging microbreweries. A professional beer guide will bring the tour participants to the craft beer pubs of three microbreweries in downtown Budapest, allowing them to taste up to 10 brews, such as lagers, dark and wheat beers, and ales.

Those who are interested in knowing more about the reopening of Pub Crawl Budapest may want to visit the Pub Crawl Budapest website, or contact them on the phone or through email. The ruin bar tours are held evey day from 9:00 pm to 4:00 am.
