Tantrum Mobile Spray Tans in Royal Palm Beach, F is taking their anti-carcinogenic method of getting that summer glow right to the door steps of Wellington residents. Now you can get a perfectly even tan all year long and in the privacy of your home. All this at an affordable rate. Spray tanning offered by Tantrum Mobile Spray Tans is the safer alternative to traditional tanning methods like tanning beds, sunbathing and tanning booths that apply unnatural solutions.

"Spray Tanning at your home or office, applied by a trained professionals is a convenient and safe alternative to sun bathing or tanning beds. With the advances of commercial grade spray tan guns it's application can't be beat for health minded clients looking for a natural, even spray tan applied in the privacy of their home or at their performance site. Clients never again have to deal with cancer causing side effects of tanning beds and sunbathing. Now they can tan naturally with our professional mobile spray tanning service." says Melinda Dixon, owner of Tantrum.

?Many of the untrained spray tanning gals in our area apply their solution in your shower and leave you to clean up the mess,? owner Melinda Dixon said in a recent press release. "The fact that they are untrained leaves clients smelly, stinky, uneven, splotchy and worse, they use solutions that are not natural! At Tantrum, our trained and certified technicians set up a tent, lay towels down outside the tent & plug in a suction fan that runs during the application to ensure none of the solutions gets on any part of the clients home. We use only the best equipment on the market. All our techs wear company uniforms and offer our clients a pampered and relaxing experience that is fast and no clean up is required on the clients' part. We do it all, clients just relax for about 20 minutes."

Per TantrumMobileSprayTan.com, spray tanning has exploded in the last few years as informed, health-minded individuals understand the dangers of harsh sun rays and have read about all the tanning bed nightmares found all over the net.
