Newnan GA Chiropractor Now Open to Help Car Accident Victims and More

July 10, 2020

NEWNAN, GA - July 10, 2020 -
Arrowhead Clinic Car Accident Chiropractor Newnan, GA has just announced the newest location of this highly recognized chiropractic care group is now open. This clinic will be the latest of the Arrowhead Clinic Group?s locations to put into practice their over 40 years of experience examining, diagnosing, and treating auto accident injuries with advanced chiropractic care. The clinic is headed up by Dr. Traci Autera and a veteran support staff and their address in Newnan is 39-B Oak Hill Ct. This Newnan chiropractic facility is conveniently located off of Hwy 34 just past Crossroads Animal Hospital and Houston Dental Practice. It?s a location that was chosen because of its lack of traffic congestion and the ease of travel from all parts of the Newnan area. The newly opened chiropractic clinic will be serving patients' needs from 9 am to 7 pm Monday through Friday.

Dr. Autera says, ?Our team at one of Arrowhead Clinic?s newest locations is already providing the exceptional chiropractic care that people have come to expect from our other Georgia locations. As always, we will be using the latest proven treatments to help accident victims and others that have injuries to their musculoskeletal system and the soft tissues that surround it. We seek to provide chiropractic treatments that not only help eliminate pain and discomfort in the near term but also help to keep it from recurring in the long term. Once you walk through our front door, you will be treated with courtesy by everyone from our receptionists to myself and my medical support staff. Our success rate and exceptional customer service is the reason why our services have become so in-demand in places like Newnan. We are very proud to be able to serve this community now.?

The lead doctor at the facility says that some of the treatments that they will be using to help car accident victims and other patients include cold therapy, heat therapy, electronic stimulation, spinal adjustments, and spinal decompression. They will also be establishing rehabilitation plans for their patients that will help to make their muscles more reliable and more flexible. She says that a patient?s method of treatment is always individually designed and may include just one or several of the above-mentioned treatments. The course of

treatment will be determined after having an initial consultation and checkup with a doctor at the clinic. During the examination, the doctor will look for such signs of injury as shoulder pain, neck or back pain, herniated discs, and soreness or stiffness in any parts of your body. They may also order up specific diagnostic tests such as X-rays to confirm their diagnosis. In addition to treating moving vehicle accident victims, Dr. Autera stated their chiropractic treatments have also proven beneficial to those who have been injured in the workplace, during a sports activity, or experienced a slip and fall accident.

Arrowhead Clinic Newnan, GA has already started to receive 5-star reviews from patients who have experienced their services. Dana Lynn Adlam says, ?Dr. Autera and the staff are very devoted to their patients. The new location is really convenient, modern with the newest equipment too. Highly recommend a visit!? Another patient, Nancy Edwards, wrote, ?I absolutely would recommend Arrowhead clinic in Newman. Dr. Autera and Caitlyn made me feel so welcome. I can already tell a difference in my progress. Thank you. Not to mention it?s a nice, clean, and air-conditioned office.? Dr. Autera went on to say that in addition to having several glowing reviews written on them, they have also received recognition for their outstanding customer service and have been featured in the USA Today newspaper and on such major TV channels as CBS, NBC, and Fox News. She added that they will continue to work hard to get this type of recognition because that means the way that they try to help their patients is working.

For those in Newnan who are looking for a ?chiropractor near me?. They can reach this newly opened chiropractic clinic by phone, email, or by filling out the patient consultation form on the ?contact us? page of their website.
