We are very excited to be a part of this community and look forward to growing together!"

ACP Painting strives to support the local business community through membership in the Chambers. They are active participants in Chamber events. Russ and Rob and their crew understand that it "takes a village" to encourage and help local businesses succeed.

History: The Chandler Chamber of Commerce was founded in April of 1912, just before the City of Chandler was incorporated. In the absence of a city government (before incorporation), the Chandler Chamber of Commerce operated like a quasi-government entity, helping the community get roads, flood control, cotton pickers, fire protection, a better lit downtown, and other improvements. It also advocated for businesses, promoted and hosted discussions on incorporation, and got involved in regional issues including flood control, better streets, and tourism promotion.

Mission: To support business and community by providing vital programs and services that attract and retain business while embracing our diversity.
