ROSEVILLE, MN - July 20, 2020 - PRESSADVANTAGE -

Minnesota Real Estate Appraisal Services, based out of Roseville, Minnesota, is proud to announce that they have been nominated for the title of the Twin Cities Best Appraiser. The company has more than 40 years of experience in Commercial, Industrial, Land, Legal and Multi-Family Residential Appraisal.

Clark Goset, owner of Minnesota Real Estate Appraisal Services, says, "We have always focused on doing our best for all of our clients. With every appraisal that we perform, the entire team dedicates themselves to the work to ensure that our clients get the best results. We have won awards for our efforts before, but it is always nice to see our hard work recognized again."

He continues, "This year, these past few months especially, the real estate industry has been in flux. This is not surprising, considering the COVID-19 epidemic and everything else going on around the world. In turn, this means that our work has been both harder and more interesting, but we are proud to say that we have been able to consistently provide excellent real estate appraisals throughout this period. If you want an accurate appraisal done in this uncertain economic environment, you need to make sure that the company you are hiring has an established track record of accurate results, no matter the context or situation. I think

we can definitely say that we are among the best real estate appraisal companies in Minnesota.?

Minnesota Real Estate Appraisal Services provides a variety of services across the entirety of the state. The company offers authoritative real property appraisals for all types of properties, including Commercial & Industrial, Residential and Land & Development Properties. The company also offers a number of legal appraisal services, and they are proud to say that they have handled residential real estate appraisals for a wide variety of properties (from small city homes to multi-million dollar mansions in the Greater Minnesota area). The company has performed hundreds of commercial and industrial property appraisals as a commercial real estate appraiser in the Minneapolis and St. Paul Metro Area as well as around Minnesota.

Notably, the strength of their professional conduct has earned the company a lot of praise from their clients. The real estate appraiser has earned a rating of 4.3 out of 5 Stars on the Google platform alone. In a recent review, for instance, Mike S. Decker says, "Thanks for your attention to detail. We had three lots to distribute to heirs, all similar but different. Your appraisals helped make the process of keeping things equal a lot easier."

In another review, Peter Palmer praises the services provided by the company, saying, "Clarke Goset did a superb job on a project of ours, taking the time to evaluate some tricky easement issues that affected the use of part of a parcel we were developing. His knowledge and expertise helped establish a fair value all parties could agree to." Similarly, Earn Netwhal says that they found the company's agents, "Excellent people to work with. Knowledgeable and detailed work. I would recommend [them]."

Goset adds, "When you work with Minnesota Real Estate Appraisal Services, you can rest assured that you will receive accurate and legally defensible real property values no matter what.
