Charles Davis, the owner of Piedmont Paint & Finish, says, ?We?re very much elated to announce that we have received another five-star review from one of our customers. Rest assured that we will continue to pursue excellence and ensure your satisfaction by delivering painting services that add value to your homes or buildings.?

In the latest five-star review, Julie L. says, ?What a wonderful crew of people. Professional, responsive, prompt, and friendly. They wanted to make us happy with their work, and they did!?

Piedmont Paint & Finish offers residential painting services for Charlottesville, Ivy, Nellysford, Wintergreen, Keswick, Richmond, Albemarle County, Stony Creek, and the surrounding region. They offer both interior and exterior painting services for houses, estates, and farms, and they make sure to use only high-quality products from companies like Benjamin Moore and Sherwin Williams.

They also offer quality cabinet refinishing, spray painting, case work, and other furniture refinishing services designed to restore furniture back to its previous elegance. They will bring the furniture to their shop and then strip, paint, and refinish the wood on a wide range of items, including cabinets. Painting, staining, and other finishing for wood will help to prevent damage from moisture and ensure that the furniture will retain its aesthetic properties for many years. Those who would like to learn more about the company may want to visit their Facebook page at https://www.facebook.com/PiedmontPaint.

As commercial painting contractors in Charlottesville and surrounding areas, they handle painting projects for medical facilities, institutions, retail properties, and more. They are capable of handling both interior and exterior painting of commercial buildings. Because interior painting tends to disrupt the flow of work and activities in a building, their team is made up of expert problem solvers who find creative ways to minimize disruption. They have a reputation for delivering even the most complex and biggest interior painting jobs promptly and within budget.

For the exterior painting of commercial buildings, their painting professionals make use of their years of experience to provide the appropriate color combinations, textures, and other factors that will make the building impressive to visitors and other users. They also provide the necessary assistance in restoring the curb appeal of such buildings.

The creative workshop division of Piedmont Paint & Finish is Pigment specializes in anything that requires paint or finishing. These include ?refabbed? furniture, ?antique? glazes, artistic faux, murals, floors, restoration, walls, and more. The staff at Pigment are ready to help customers find the appropriate color or finish for a particular piece of furniture, for the entire home, and more. They can customize and refab chairs, frames, side tables, mirrors, dining tables, nightstands, coffee tables, dressers, sideboards, settees, wardrobes, china cabinets, buffets, entertainment units, desks, hutches, bed frames, stands, patio sets, boxes, stools, planters, couch legs, lamps, and more.

Their professional finishing shop is situated half a mile east of the Downtown Mall in Charlottesville and has

more than 2,500 square feet of workspace. It contains a fully-enclosed professional spray booth, an artistic finishes studio, and a dedicated prep room. They offer cabinet finishes ranging from chalk finish matte to high gloss lacquer. They also provide customized artistic finishes, such as antiqued/distressed, strié/dragged brush, glaze, wash effects, faux bois, and more.
